Dear Mr. Ratcliff:

Pursuant to Order No. P-21-004(1), enclosed is a validated copy of Tariff Sheet No. 5, filed November 30, 2020, by Nutaaq Pipeline, LLC with TL53-524. The Regulatory Commission of Alaska (Commission) establishes a temporary rate of \$1.34 per barrel, equal to the 2021 annual rate suspended with TL53-524, for the period beginning January 1, 2021. If no protest of the rate is filed, each day's rate becomes permanent the following day. If a rate protest is filed, the rate from the date of the protest filing forward does not become permanent the following day, but instead it remains suspended until December 31, 2021, unless the Commission orders a further suspension. The effective date of the tariff sheet is January 1, 2021.

Please note that "Pursuant to P-21-004(1)" has been added to the bottom left corner of the tariff sheet.

Sincerely,

REGULATORY COMMISSION OF ALASKA

Julie C. Vogler
